## Mom's Peaceful Death Leads To Sibling War Over Her House

DEAR ABBY: My mom recently passed away at 91. She had a great life and went peacefully at home in bed during the night. I took charge of her medical care and finances after Dad died 10 years ago.

After Mom's funeral, my brother insisted he would move into her house while he remodeled it, which could tie up the house for a year. It made no sense to me. I am Mom's executor, and I felt it was unfair to me and my other brother. When I said no, he got really angry, accused me of many mean, untrue things and announced that he disowned me. I responded that I love him and he will always be my brother, but it was his choice.

The pain of losing my mom AND my brother has been awful. Now I'm working to sell the house, and he interferes and is mean every step of the way. But I have to move ahead and do my job. I don't respond to anything negative he writes. Have you some advice on how to repair our relationship? Maybe if he saw it in print he would realize we are family and none of this is helpful to any of us. -- DOUBLE LOSS IN CALIFORNIA

**DEAR DOUBLE LOSS:** Please accept my sympathy for the loss of your mother. If it's any comfort, estate problems like you're experiencing aren't all that unusual. Not knowing your brother or the degree to which he is self-centered, I'm having trouble understanding his overreaction. Was he desperate for a place to stay for a year?

I wish you had mentioned what your other brother thinks about this regrettable situation and whether he, too, was disowned. If he and your angry sibling are on speaking terms, perhaps he can help to mend fences. And hold a good thought. Sometimes time heals these kinds of wounds, once grief lessens and people regain their perspective.

DEAR ABBY: "Addicted

DEAR ABBY

**Jeanne Phillips**

in Kansas City" (Aug. 24) asked you for secular alternatives to Alcoholics Anonymous. There are parts of your response that I feel need clarification.

First of all, AA doesn't require lifetime attendance at meetings. AA doesn't "require" anything. (The third tradition states the only requirement for membership is a desire to stop drinking.) Regular attendance at meetings is encouraged but certainly not a requirement. Many people continue to go to meetings one or more times a week, while others stop or go only occasionally after a period of time.

The other point is tougher -- and perhaps more subtle. AA encourages individuals trying to get sober to find a "God of their own understanding," a Higher Power, SOMETHING bigger than themselves. Many agnostics and atheists get and stay sober in AA.

AA is a spiritual program, not a religious one. This can be a difficult concept for people who are just coming in (and a great reason not to stay). That's one of the reasons AA encourages anyone new to attend different meetings, if possible, and check out other groups. In many cities there are meetings expressly for atheists and other nonbelievers. -- SOBER AND HAPPY IN ATLANTA

**DEAR SOBER:** Thank you for writing to clarify this. However, there are different programs (different strokes for different folks), which is why I also encourage anyone trying to achieve sobriety to research and explore the alternatives.

**LEGAL NOTICE**  
Public Comment Invited  
Smith Ridge Project  
USDA – Forest Service  
Northern Region  
Nez Perce-Clearwater National Forests

The North Fork Ranger District of the Nez Perce-Clearwater National Forests is extending the public scoping period for the Smith Ridge Project. This is a corrected legal notice. The original legal notice was published September 28, 2018, initiating a 30-day scoping period. However, the original notice incorrectly identified the authority under which the project will be analyzed. The correct authority is shown below. The authority listed in the scoping letter on the agency website is correct.

To ensure ample opportunity for public comment, interested parties will have an additional 14 days from today's date of publication of this legal notice to provide comments.

The North Fork Ranger District of the Nez Perce-Clearwater National Forests is proposing the Smith Ridge Project. The project is located approximately 5 miles northwest of the Canyon Work Center, Township 41 North, Range 6 East – Sec 7, 8, 9, 10, 11, 13, 14, 15, 17, 22, 23, 24, 25, 26, 27, 34, 35, 36 and Township 41 North, Range 7 East — Sec 18, 19, 30, 31, Boise Meridian. The current proposed action was developed through a collaborative process and proposes vegetation management activities on approximately 498 acres. The greater project area encompasses 6,805 acres within 3 subwatersheds because of its ridgetop location, including Minnesaka Creek – Little North Fork of the Clearwater River, Salmon Creek – North Fork of the Clearwater River, and Isabella Creek. No vegetation treatments are proposed within the Mallard-Larkins Roadless Area which borders the project area to the north.

The comments and suggestions received during this extended scoping period will be used to identify issues that may be used to analyze the proposed action and will also help determine the appropriate level of environmental analysis for the project. Based on preliminary review, the interdisciplinary team and deciding official anticipate the project to be categorically excluded from documentation in an environmental assessment (EA) or an environmental impact statement (EIS) under Section 603 of the Healthy Forest Restoration Act (HRFA) of 2003, as added by section 9204 of the Agricultural Act of 2014.

Comments may be mailed electronically to: [comments-northern-clearwater-north-fork@fs.fed.us](mailto:comments-northern-clearwater-north-fork@fs.fed.us). Acceptable formats are text or html email, Adobe portable document format (PDF), and formats viewable in Microsoft Office applications (e.g. Word).

If you choose to comment, please include the following:

- 1) Your name, address, phone number, email address, and organization
- 2) Title of project
- 3) Specific facts and relevant rationale you feel should be considered

You may also mail or hand deliver your comments to Johanna Kovarik, Acting North Zone NEPA Planner, North Fork Ranger District, 12730 US Hwy 12, Orofino, ID 83544. Office hours are 8:00am – 4:30pm Monday through Friday, except Federal holidays.

Comments received in response to this solicitation, including names and addresses of those who comment, will be considered part of the public record for these proposed actions and will be available for public inspection.

A detailed description of the purpose and need for the project as well as proposed project activities, locations, and maps is available electronically at: <https://www.fs.usda.gov/project/?project=53908>

Project documents will be updated at the above site as information is available.

If you have any questions please contact Johanna Kovarik at [jkovarik@fs.fed.us](mailto:jkovarik@fs.fed.us) or (208) 476-4541.

**T.S. No. 069584-ID Parcel No.: RPL12030000030A NOTICE OF TRUSTEE'S SALE** On 2/21/2019 at 11:00 AM (recognized local time), at the NEZ PERCE COUNTY COURTHOUSE, 1230 MAIN STREET, LEWISTON, ID 83501, in the County of Nez Perce, SYDNEY K. LEAVITT, ESQ., a member of the State Bar of Idaho, of ALDRIDGE PITE, LLP as trustee, will sell at public auction, to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following described real property, situated in the County of Nez Perce, State of Idaho, and described as follows, to wit: LOT 3 OF R.B. LAWS ADDITION TO THE CITY OF LEWISTON, ACCORDING TO THE OFFICIAL PLAT THEREOF, OFFICIAL RECORDS OF NEZ PERCE COUNTY, IDAHO. The Trustee has no knowledge of a more particular description of the above referenced real property, but for purposes of compliance with Idaho Code Section 60-113, the Trustee has been informed that the address of: 909 GRELLE DR, LEWISTON, ID 83501, is commonly associated with said real property. Said sale will be made without covenant or warranty, express or implied, regarding title, possession or encumbrances to satisfy the obligation secured by and pursuant to the power of sale conferred in the Deed of Trust executed by MARK A. CONDREY AND ALISHA CONDREY HUSBAND AND WIFE, as Grantor(s), to SILVERLAKE ESCROW, LLC, as Trustee, for the benefit and security of MORTGAGE ELECTRONIC REGISTRATION SYSTEMS INC., SOLELY AS NOMINEE FOR EQUIFIRST CORPORATION, ITS SUCCESSORS AND ASSIGNS, as Beneficiary, dated 7/29/2005, recorded 8/3/2005, as Instrument No. 720618, official records of Nez Perce County, Idaho. Please note: The above named Grantors are named to comply with Idaho Code Section 45-1506(4)(a); no representation is made that they are, or are not, presently responsible for the obligation. The default for which this sale is to be made is the failure to make monthly payments when due from 11/1/2016 and all subsequent monthly payments thereafter, including installments of principal, interest, impounds, advances, plus any charges lawfully due under the note secured by the aforementioned Deed of Trust, Deed of Trust and as allowed under Idaho Law. The sum owing on the obligation secured by said Deed of Trust as of 10/12/2018 is \$151,441.48 including interest, costs, fees, including trustee and/or attorney fees and costs, and expenses actually incurred in enforcing the obligation thereunder or in this sale and to protect the security associated with the Deed of Trust, as authorized in the Note, Deed of Trust or as allowed under Idaho Law. Because interest, late charges, fees, costs and expenses continue to accrue, the total amount due varies from day to day. Hence, if you pay the amount shown above, an adjustment may be necessary after receipt of funds to satisfy the debt. For further information, write the Trustee at 4375 Jutland Drive, Ste. 200, San Diego, CA 92117, or call (866)931-0036 DATED: 10/12/2018 SYDNEY K. HOROSCOPE

HAPPY BIRTHDAY for Friday, Nov. 2, 2018:

This year you break past set patterns, which encourages you to make some significant changes. You will feel as if you’ve suddenly opened a door and caught a whiff of fresh air. If you are single, the type of person you choose to relate to is likely to support your transformation. Give yourself time to see if this bond really works for you. If you are attached, the two of you become more comfortable together than ever. Plan a much-desired trip as a couple. VIRGO is a trusted friend.

The Stars Show the Kind of Day You’ll Have: 5-Dynamic; 4-Positive; 3-Average; 2-So-so; 1-Difficult

ARIES (March 21-April 19)

★★★★ You might opt to let go of pressure and judgments. Flow with the moment, and attempt to clean up after an unexpected event that might have thrown some of your life structure into chaos. A respected friend or family member could be unusually stern. Tonight: Christen the weekend.

TAURUS (April 20-May 20)

★★★★ Your creativity emerges, causing you to change direction. You might want to slow down some, as you likely don’t have all the facts. Seeking out someone with more expertise could set you back, as this person might not be readily available. Tonight: Be as naughty as you want!

GEMINI (May 21-June 20)

★★★★ You could be unusually quiet and withdrawn. A partner or loved one might be misreading the source of a situation as well as your attitude. As a result, you might not be particularly forthcoming. Your closeness does not support clearing up an issue. Tonight: Head home early.

CANCER (June 21-July 22)

★★★★ You want to get past a problem and understand what is happening with various people surrounding you. You might feel as if someone is misreading you. Attempt to stay open and have a discussion to help others be in the same mental space as you. Tonight: Have an important chat.

LEO (July 23-Aug. 22)

★★★★ Get past a misunderstanding. Prevent a hassle by confirming a meeting place and time when making plans. Extra effort on your part could make all the difference in all facets of your life. You might want to make it an early night. Tonight: Accept that you are not the Energizer Bunny.

VIRGO (Aug. 23-Sept. 22)

★★★★ You are coming from a different mental space than many of the

people around you. You also communicate in a very different way. Verify that you are on the same page as a partner. In the long run, events and discussions will run more smoothly. Tonight: Get together with a friend.

LIBRA (Sept. 23-Oct. 22)

★★ You might be mulling over an ongoing issue as you seek out answers. You also might decide not to share as much as usual, at least until you’ve sorted through all the facts. Remain sensitive to an older person who seems a bit off or closed down. Tonight: Do what works best for you.

SCORPIO (Oct. 23-Nov. 21)

★★★★ Zero in on a work-related matter. You smile, and another person responds, perhaps with the exception of a grouchy roommate or family member. Maintain a level-headed perspective, and understand where others’ energy is stemming from. Tonight: Meet up with loved ones.

SAGITTARIUS (Nov. 22-Dec. 21)

★★★ You often are flamboyant, but right now you are efficient and serious. You might not have your normal tolerance for chitchat and sharing news. Clear out your responsibilities and mandatory to-dos. You have more to share than others thought possible. Tonight: Out late.

CAPRICORN (Dec. 22-Jan. 19)

★★★★ Reach out to a friend or loved one who lives at a distance. You could feel confused by everything you are hearing. Be clear about your choices. You might get together with a favorite person in the near future. You could be moodier than you realize. Tonight: Say yes to an offer.

AQUARIUS (Jan. 20-Feb. 18)

★★★★ You could be exhausted from doing what a partner requests. You like relating to this person in general, but you might sense a demanding attitude that could revolve around time-sensitive issues. Question less and just clear out what you must. Tonight: Make it a party.

PISCES (Feb. 19-March 20)

★★★★ Defer to a partner or loved one. Often you miss a detail or two, especially when it comes to making plans. The other party involved might feel as though he or she can take the lead, so hand this person the reins. Appreciate the lightening of pressure. Tonight: Do what makes you smile!

MARKETS

Stocks rise as market has third good day

ASSOCIATED PRESS

NEW YORK — Stocks climbed Thursday as major indexes extended a rebound into a third day. The dollar dropped, a change that provided a relief to big exporters like industrial and technology companies.

The U.S. stock market continued its gradual rebound from a plunge that lasted almost the entire month of October, and many of the biggest gains Thursday came from stocks that struggled badly last month like chipmakers and other technology companies and smaller, domestically-focused companies.

Strong earnings from U.S. companies have helped the market recover its footing over the last three days. Chemicals maker DowDuPont jumped after reporting a strong quarter, as did Arm & Hammer maker Church & Dwight and insurer AIG. Apple also climbed prior to releasing its quarterly report.

Stocks fell sharply from early October through the last few days of the month, a skid that briefly wiped out their gains for the year. After a rally over the last two days, the S&P 500 is up 2.5 percent in 2018.

During the sell-off, high-growth companies like technology and industrial companies and smaller stocks were hit especially hard as investors worried about various factors that could slow their growth and their profits. Those included the U.S.-China trade fight, rising interest rates that could make it more expensive to borrow money, and higher costs for fuel and other necessities.

Chemicals maker DowDuPont surged 8.1 percent to \$58.27 after

its third-quarter profit surpassed analysts' estimates. The company said sales grew in all regions, with strong gains in Asia-Pacific and Latin America. DowDuPont also said it expects to save more money from a cost-cutting program and plans to buy back another \$3 billion in stock.

Fertilizer and chemicals maker CF Industries jumped 6.3 percent to \$51.05 after it said it expects better nitrogen fertilizer prices over the next few years.

Cigna, one of the largest U.S. health insurance companies, rose 21.2 percent to \$216.28 after raising its forecasts following a better-than-expected quarter.

Exporters rose as the dollar slumped. The ICE US Dollar Index slid 0.9 percent after reaching a 16-month high on Wednesday. A weaker dollar helps companies that do a lot of business outside the U.S., as it makes their products more affordable in foreign markets and also increases their profits when they are translated back into dollars.

YOU KNOW, RAY, YOU'RE NOT THE ONLY ONE WHO GOT A BIG, FAT REALITY CHECK WHEN HE GOT HOME. I HAD TO FACE A FEW FACTS MYSELF...

LIKE, FOR INSTANCE, NO REAL JOB AND A WOMAN WHO DOESN'T MUCH NEED ME ANY MORE. SOMETIMES I FEEL LIKE I GOTTA BUST OUT, MAKE A REAL CHANGE, YOU KNOW?

HEY, LISTEN, YOU'VE GOT A WEEK OF LEAVE, RIGHT? WHY DON'T IUS GET IN MY CAR, HEAD SOUTH, AND GO WILD FOR A FEW DAYS?

YOU MEAN, LIKE A CRIME SPREE? COOL...

RAY, DID YOU LOSE YOUR WIFE OR YOUR MIND?
